

FISCAL NOTE

HB 775 - SB 804

January 12, 2004

SUMMARY OF BILL: Prohibits the placement of social security numbers on either voter registration cards or hunting/fishing licenses or permits, or used as an identifying number on such cards, licenses, or permits. The bill also requires the social security number be omitted from permanent registration records prior to the dissemination of those records.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumes the requirements set out in this bill can be handled within the normal course of business and, therefore, is estimated to result in minimal fiscal impact.

For informational purposes, the Tennessee Wildlife Resources Agency is currently required to capture the social security number of all buyers of licenses under the "dead-beat parent" statutes; however, the Agency does not print or distribute this number. Therefore, it is assumed that this bill would have no impact on current Agency operations.
